

DECO MAGNETIC BUTTON AND MAGNETIC GRIP

STRONG AND FUNCTIONAL
PERFECT DECORATION
OF THE FABRIC

A close-up photograph showing a hand holding a rectangular, silver-colored magnetic button against a dark, vertically ribbed fabric. The button is positioned vertically, and the hand is visible on the right side, gripping the button. The background is slightly blurred, showing a window with greenery outside.

Safety instructions for the use of decomagnets:

Keep the decomagnets away from children.

Strong magnetic fields can interfere with electrical equipment, for example: clocks and heart pacemakers. Powerful magnetic fields can wipe magnetic data carriers clean (magnetic tapes, credit cards or diskettes). According to the latest scientific knowledge the decomagnets have no detrimental effect on the health of human beings or animals. Those allergic to the corresponding materials should avoid contact with magnets.
